Insanity And Genius

Author's Notes:
Kai and Dirk said in one interview that they used cocaine. That inspired me.

Thanks gooes to my dear beta Andy:)

Weakness. Desperation. Emptiness.

There's only thing that can cheer him up, give him the inspiration he needs. Just one snort, one portion of this *damn* thing.

Cocaine.

Drug of the rich.

He knows what he does is wrong. He has to resist. He can't use it.

But his body is shaking in spasm. Yearning for the energy which only *this* can give him. That sublime rush.

No. He won't suffer it any longer.

Shaking hand reaches out for the little packet on the table. Pale fingers unwrap it, shakily. White powder is scattered on the table.

And he loses. Again.
